

# SHREESH CHAKRABORTY

7980559674 | chakrabortyshreesh@gmail.com | <https://github.com/shreesh-2006> | AI Developer | IEEE Member |

## OBJECTIVE

First-year B.Tech Information Technology student at Netaji Subhash Engineering College (since 2024), passionate about building AI-driven and socially impactful tech. Seeking an IEEE-aligned internship to apply my skills in NLP, backend systems, and Generative AI in a collaborative and research-driven environment.

---

## EXPERIENCE

**Hackathon Participant** – Competed in 9+ national-level hackathons including SIH, Alignite (HITK), Binary (KGEC), Samarth (TMSL), and IIT KGP NLP Hackathon.

**Hackathon Team Lead** – Led teams to final rounds in multiple hackathons with impactful AI and software-driven solutions.

**Member, Byte Brigade (2024–Present)** – Built and lead a growing community of coders and tech enthusiasts to foster peer learning, project collaboration, and networking.

---

## PROJECTS

**Gramin Seva AI** – Built a multilingual GenAI chatbot (Bengali, Nepali, English) to guide tea workers and farmers through government schemes using Gemini API.

---

## AWARDS

- Semi-Finalist, Amrita Vishwa Vidyapeetham Young Masters Quiz (India Today Group)
- Winner, Senior Boys Football Tournament (2022)
